## European Community Declaration of Conformity

For the products indicated below:

CodeMeter-Stick	CM-Stick	Part-No.: 1001-xx
CodeMeter-Stick/M	CM-Stick/M	Part-No.: 1010-xx
CodeMeter-Stick/M	CM-Stick/M	Part-No.: 1011-xx

It is hereby confirmed, that they comply with the CE EMC directive and meet the requirements of protection standards (89/336/EEC and related standards EN55022, EN55024 and CISPR Pub.22, FCC 47CFR 15, Subpart B).

The following standards have been adhered to concerning the assessment of the products regarding electromagnetic contractual:

**Radiated Emission** according to EN 55022:2003-09, FCC 47CFR15 Subpart B and VCCI V-3/02.04

Frequency Range: 150 kHz ... 1 GHz

**Immunity** according to EN 55024:2003-10 against:

Radiated radio frequency (RF) and electromagnetic field according to IEC 61000-4-3 + A1

Electrostatic Discharge (ESD) according to IEC 61000-4-2  
contact discharge 4kV load voltage, air discharge 8 kV load voltage

Conducted Electromagnetic RF unsymmetrical according to IEC 61000-4-6

Fast Transient Puls (Burst) coupling clamp according to IEC 61000-4-4: 0,5kV peak, 5kHz, 5/50ns tr/th

All tests have been executed by VDE Testing and Certification Institute, Offenbach, Germany and have been documented in their reports FG43-1-58215, FG43-3-58215 dated May 31, 2005 and FG43-4-58215 dated June 23, 2005.

This declaration is the responsibility of the manufacturer
